

PUGET SOUND REPEATER GROUP MONDAY NIGHT NET

“Good evening. It is 7:30 PM, and time for the Puget Sound Repeater Group Monday night check-in *and* information net for (Date)_____.

This is (Name and Call Sign). I’ll be your net host for this evening.

This net meets weekly for member and visitor check-ins and to keep you up to date with information relative to PSRG operations.

The weekly call list is a subset of the main check-in roster. I will read these call signs, when you hear yours, just respond with your call and I will acknowledge.

If you would like to know your position on this call list, or how close you are to making the list, then visit our web site at psrg.org/list.

(break to reset repeater)

This is how the net will run tonight:

First – I’ll ask for and take any member announcements.

Then I’ll read the current group announcements and any miscellaneous items.

Next, I’ll ask for check-ins from the “member roster”!

Then I will take internet check-ins “from the member roster”!

And finally, I will take both late, missed and visitor check-ins.

Again, this is (Name and Call Sign), and you’re listening to the Puget Sound Repeater Group Monday night net.

Let’s get started.
